

**The ONLY  
Nationally Certified  
PAIN MANAGEMENT  
Center in N.W. Ohio**

*The Comprehensive Center  
for Pain Management*

***Having trouble with chronic pain? We can help!***  
CCPM's new West Central Surgical Center has now been certified by the Accreditation Association for Ambulatory Health Care (AAAHC) as the **ONLY** nationally-recognized Ambulatory Surgical Center that is dedicated to interventional pain management in our region. We offer the most advanced diagnostic, fiberoptic, radiofrequency and injection procedures on-site.

Our certification assures that your procedures will be conducted in a safe, controlled environment. Through our affiliation with Stresscare, we also provide psychological counseling for pain as appropriate. Our physicians practice pain management full time, and are Board-certified in Pain Medicine and Anesthesiology. We will assess your unique needs so that you can **take control of your pain**.
